

The card game with ever-changing rules!

FLUXX[®]

A crazy fun card game for 2-6 players ages 6 to adult.

Outstanding gameplay with that "Let's Play Again" appeal – when you win it was skill, but when you lose it was luck! The cardback is the same for all versions so fans can mix & match and build custom decks. A quick and easy social game for everyone in the family!

EcoFluxx is great for camping, environmental, and educational markets!

Pick Fluxx Español for both Hispanic and educational markets - pitch to anyone learning Spanish in school!

Which versions are right for your store?

Try Family Fluxx for younger ages, and larger chains with less hands-on interaction with the customer - single decks come on a blister pack for easy display!

Get standard Fluxx for Hobby Game stores, and Toy Stores with significant game sections.

Be sure you pick standard Fluxx for religious markets interested in the Jewish or Christian 7 card themed expansion packs.

"Fluxx is the only game in my store on which I offer a moneyback guarantee. If you don't like it, bring it back! I've done this since the First edition, almost ten years, and have never had to give money back." Ben Hopkins, Original Game Shop in Tulsa, OK
